THE FORGOTTEN WINE TRADE ...

THE PLACE WHERE THE HOTEL IS LOCATED, HAS PROVED TO BE A BREEDING GROUND FOR MANY PECULIARITIES OVER THE CENTURIES AND WITH EVERYTHING THAT HAS TAKEN PLACE ON THE PLOT OF 'DIE PORT VAN CLEVE', SOMETIMES THINGS HAPPEN TO FALL INTO OBLIVION. FOR EXAMPLE, WHAT HAS ALWAYS BEEN UNDEREXPOSED IS THE WINE TRADE UNDER THE COMPANY NAME 'GEBROEDERS HULSCHER'. THIS IS REGRETTABLE FOR VARIOUS REASONS. FOR EXAMPLE, THE REPUTATION OF THE WINES IN 'DIE PORT VAN CLEVE' WAS OF AN EQUIVALENT LEVEL, JUST LIKE THE STEAKS THAT ARE ALWAYS AND EVERYWHERE PRAISED.

IT ALSO SHOWS HOW MUCH ENTREPRENEURIAL INGENUITY THE HULSCHER BROTHERS WORKED WITH. THE BROTHERS' BUSINESS ACTUALLY CONSISTED OF TWO PARTS, THE BEER HOUSE AND IN ADDITION THE WINE TRADE. AT THE TIME, THIS WAS A PUBLIC SECRET IN AMSTERDAM. BUT WHAT IS LESS WELL KNOWN TODAY, IS THAT THE WINE TRADING OF THE BROTHERS WAS ONE OF THE OLDEST WINE MERCHANTS IN AMSTERDAM. THE BROTHERS ALREADY OBTAINED A PATENT IN THE YEAR 1875 TO BE OPERATIONAL AS A WINE MERCHANT.

PARTICULARLY LARGE CELLARS EXTENDED UNDER THE COMPLEX OF 'DIE PORT VAN CLEVE', WHICH RAN ALL THE WAY FROM THE 'SPUISTRAAT' TO 'NIEUWEZIJDS VOORBURGWAL'. IN ADDITION TO THE STORAGE OF ALL KINDS OF PROVISIONS, THE WINE TRADE WAS THE MAIN FOCUS WITHIN THESE CELLARS, WHERE THE LARGEST PART WAS INTENDED FOR THE STORAGE OF THE MOST BEAUTIFUL WINES. THESE WINES WERE OF COURSE Poured IN THE RESTAURANT AND LATER ALSO THE BODEGA, BUT IN ADDITION ALSO SOLD FROM THE WINE MERCHANT. THE SOMEWHAT ROMANTIC APPROACH TO HOW AND WHY THE WINES OF 'DE POORT' WERE SO PRAISED, IS THAT THE WINES WERE TREATED WITH TENDERNESS AND WERE PARTICULARLY WELL AGED. FURTHERMORE, THEY WERE CHOSEN WITH LOVE BY A TRUE PROFESSIONAL, AS THE LITERATURE FROM BACK THEN TEACHES US.

BUILDING UP AND MAINTAINING A REPUTATION WAS DEVOTED TO THE BROTHERS. TO THIS END, THE WINE TRADE WAS IN DIRECT CONNECTION WITH WELL-KNOWN WINERIES IN 'OPORTO' FOR GENUINE. PORT WINES AND WITH 'CADIX AND JEREZ DE LA FRONTERA' FOR VARIOUS SHERRY WINES. ALL THIS FILLED THE VAST SCAFFOLDING IN THE CELLARS, WHERE LITERALLY HUNDREDS OF BOTTLES WERE ARRANGED BY ORIGIN AND QUALITY. THE SOMEWHAT MORE COMMON WINES IN THE FRONT AND THE MORE REFINED 'CHÂTEAU WINES', AS WELL AS THE GRACIOUS 'BORDEAUX WINES' LOCATED DEEPER IN THE CELLARS.
